Note:

Public Water Supply information is not available through this tool. If you have a need for such information, please submit a request through the following link:

Submit a NeDNR Assistance Request Form (<https://app.smartsheet.com/b/form/6eee8b5f1c5641d199121b7cccd6a91e>) . The well owner will be contacted for the purpose of authorizing access to information about their well(s). All registration documentation for water wells registered after January 1, 1969, except Public Water Supply wells, are now available.

Due to possibility of a well being in more than one series, an individual well might be listed more than once.
